1. I am coming and I am coming in glory and no one will stop Me. No one will stop Me for I am coming. I am coming, and in fact, I am already there. No one can stop Me from coming for I am already there. I have been there, I am there, I AM there and I am coming in clouds of glory and the glory will make some ashamed and some honored. And those who glorify Me will be glorified, coming in the clouds of glory the Son of Man in the son of man, the Son of Man glorified for My namesake, the Son of Man in the son of man. Yea, see what I have said. I never left, I am. I am I Am, I am there. I am in you, I am you for you are My body and My blood and I cherish you, every one of you, every single one of you, all of you My creation are, the work of My hands. I love you and I give you Me.
2. I give you Me and now you know that I am Me and when I say I give you Me that I give you the fullness of Me that I am, which is the fullness of Me complete, replete, undiminished; yea, unrestricted; the fullness of the Godhead bodily; the attributes, arms, the voice of My Savior, My Son, My Father in whom there is no shadow or variableness of turning. I love you and I give you Me. I give you all of Me and all of Me comes out of you.
3. All of Me comes out of you. All of Me comes out of you, you who will let Me and be glorified in you, through you, in your mortal flesh so that your flesh is Mine, My flesh; your flesh is My flesh, your body My body; your blood My blood; one blood, one body, one family, one Father, one Son, all sons and daughters.
4. See what I have said, emphasize Me. Yea, let My radiance come forth and behold Me. Behold Me, **beholding Me you become Me** and My radiance shines forth, yea, through you as the noonday sun, greater and more powerful than any nuclear explosion or radiation imaginable, unimaginable, uncontainable. I love you.
5. I give you Me replete with communications and delivery systems of only Me and the Godhead be, and the Godhead you are. Yea, one or the other, your choice. Choice demanding choice; choice which all make.
6. Yea, lo and behold; yea, behold My words this day; behold Me, yea. This Friday, good, honoring My death, yea, your death. My resurrection, yea, so soon, so soon, now is, was, and is to come, is already in you, you, you My body, My flesh and blood, My spirit, the word made flesh, the word made of My body not; My body made of My word. I love you. I give you Me, I give you all of Me.
7. My radiance comes, My glorious splendor piercing the darkness; yea, piercing even light, the light that you know, the light that you think is light, the light that is light but gives way to the fullness complete in Me; yea, in you; Me in you, the hope of glory,

redeemed, revived; DNA unmuted, undiminished; yea, restored all things into Me and operating by My voice, the word of My mouth, My heart, going forth into every nation, tribe and tongue. Yea, through My towers; yea, My white towers who beam Me, broadcast Me, and build Me up in My body now who comes from every nation, tribe and tongue to be Me, radiance see, radiant be. I love you.

8. Behold My coasts, My lowlands, My plains, My mountains, acreages of only Me coming into your hands to help others behold Me.

9. Behold Me, behold Me, behold Me; yea, becoming Me (1) and seeing Me as I am (2), knowing and being known (3), being like Me (4), being like I am; knowing and being known as I am. Yea, being one together, one together with Me, My Father, My Son, each other; yea, as I designed My body in the beginning; yea, that you helped Me design, that you worked on in tables, at tables, yea, with Me, My hand, yea, guiding, speaking; yea, working, laughing, being together in transcendence of yea that which will come again and is come and is now already upon the earth, upon you, in you, and yea, coming more so.

10. I love you and I give you Me; I give you all of Me and all I have said is true and now, true now and everlasting. Amen and Amen.

11. This day go and grow, glean and glisten and, yea, and finalize them, papers, that which is of Me that I placed in your heart; yea, structure, infrastructure, substructure; superstructure coming; Yea, of **My school, of My school of Me, of My school of schools and My school to birth schools, of My school that every school will hear about and know of, for contain Me it can't, it won't; but explode Me, igniting Me into the most lowly-thought as well as the highest imagined**; yea, concurrently, simultaneously, reciprocatingly, vivaciously, vibrating, pulsating; yea, energy of only Me.

12. I love you.
I give you My hand.
I give you My body.
What else do you want?
You have all of Me.
You have all there is.
You have all that there is.
You have all of Me.

13. See, I have said it, I have declared it, I have proclaimed it; yea, in these words for all the world to see and never doubt that I have said it and I retract not that which I have spoken, declared, decreed; yea, which now is. You have all of Me: absolutely, totally, completely all. See what I have said, declared, proclaimed this day; **the proclamation of absolutely Me and My all.**

14. I love you; I give you Me; restrictions not, rules not, operating totally by love; the love which I ask for, the love which I commanded My body to operate in, with, and through, being; yea, as I hung there; yea, My blood dripping into the earth, to earth, through earth and all that come here. I love you; I give you Me.

15. All that I am you are; all power and authority I have given you. You reside in Me in fullness; I reside in you in fullness. There is no other. I love you.
16. See Me for what I have said, for who I am, what I have done; and yea, as I am now upon the earth in each other, in My body royal. I love you. There is no other; I give you wholly to Me and Me wholly to you, we are each other; restrict Me not.
17. Thank you for loosing Me and letting Me be Me so that you are fully you in the freedom that I made you, that I made us to operate in. Yea, that you participated in making so long ago.
18. World without end not, for your world ends; yea, so soon; yea, now, cataclysmic compensation of only Me; yea for your death, for your death sought, letting not your cup pass from you. But, yea, intensity, intently focusing on Me to fulfill that which I am, that which you are, that which you have done, that which you are about to do, being called on to deliver. Damn not, behold Me, being Me in the fullness, joy, power and authority, fullness, flesh that I am, you.
19. Thank you for turning My world upside down, My world that so many think is so stagnate, so powerless, thinking they have no authority, thinking they know Me. Turning their world upside down I am, you are, you are Me, I am. And, yea, all things change so soon. Thank you for letting Me turn your world upside down; yea, so many times, and death going through; yea, multiple times.
20. The depth of death grasped; yea, complete; of only Me and more coming. You will suffer for My name sake, and glorified be. Both, of Me. I love you.
21. See what I have said, all, this day My Good Friday, your Good Friday, good, good before Me. I see and I say "good." Thank you.
22. So much more coming, so many, so quickly; all I have prepared is true and there upon true and faithful, there, awaiting.
23. No limits, Ted, no limits; none whatsoever, I give you wholly to Me, Me wholly to you; all that I am you are.
24. Revel in the revelation that I have given, that I continue to clarify and make plain before the earth and all man now forever to see; and revel in the power, authority that you are, that I am, to behold Me and sons of men, Sons of Me make, and receive the fullness of Me; realizing, recognizing who I am, that I am them in the mirror; I am My body, My blood, My flesh conquers My spirit not; My spirit conquers.
25. Yea, all flesh beholding Me on bended knee; yea, bowing, receiving; yea, the fullness of what they could have been, what they could have done had they accepted Me, had they believed, believed, believed on My name; believed that I am, believed that I am powerless and worthless not; but yea, allowed Me to give them all power that I have given you and so many, so many more. I love you. Good day.
26. Clarify and clarify not; yea, --- and share with My disciples who eat of only Me, who seek intimacy with only Me, who intimate with Me are; yea, who give Me their all so that I can give them My all; yea, all in all. My love to you this day, My smile, My stroke upon your long hair, your lengthening hair, My hair; yea, My friend, My lover; yea, My

king of Me, of My kingship, of My DNA, king-ing My body all; DNA replenishing, fulfilling; yea, prophecy fulfilled. I love you. I touch your hands and hold them this day for they are My hands and your heart Mine. I love you.

27. Thank you for helping My body know that they are My body and that their hands are My hands, that I died for them, and they all came through Me, and I have given them all of Me that they will receive; yea, Me this day in the fullness of all that there is; yea, My ring, My scepter, My diadem, My power and authority, seated beside Me; yea on My throne in fullness this day. I love you. I love you. I love you. All together in the fullness of pure beauty and truth, flowing pure water of life. I love you. I love you. I love you; I give you Me.

28. Thank you for publishing, proclaiming this word this day.

Amen with a kiss, a kiss of My deepest love reserved for those who died to receive it, Me. Thank you. Amen.
